School Matters!

Late to School – PLEASE be on time

We have become very aware of a huge rise in the number of children arriving late to school. This means children are missing the first vital minutes of the school day with their class teacher and class friends, often missing the explanation of what is happening that day or even the first teaching point of the day. Please ensure your children arrive to school between 8.50 am and 9.00 am to ensure they receive their full attendance mark and the information they need to begin their day of learning.

BEING LATE ADDS UP TO LOST LEARNING

If you are 5 minutes late every day that adds up to over 3 days lost each year. 15 minutes late is the same as being absent for 2 weeks a year.
