Whole-school Homework

Create a 'Book in a Box'!

It's the time of year to get creative and bring a book to life in celebration of World Book Day. Choose your favourite book and make the setting and characters inside a box (shoe box/cereal box). Decorate your box inside and out to represent the different parts of the book.

Here are some tips/ideas:

- Draw or cut out pictures of the characters or significant objects from the book.
- Recreate a scene from the book inside.
- Include interesting quotes from the text.
- Don't forget to include the title and author of the book too.
- Make it as colourful and exciting as you can.

Label your box clearly with your name and class and bring your 'book in a box' into class by **Thursday 5th March.**

Your child's 'Book in a Box' will be displayed in an exhibition in the hall W/C: Monday 9th March. You will be able to walk around the hall exhibition on the following dates and times. Parents/carers of children in FS1, please go to the main reception as your exhibition will be at the earlier time of 8.40am, before register. Your child can take their book in a box home after the exhibition.

Safer Sleep Event

Thursday 12th March 2020

10 am - 12 noon or 1 pm - 3 pm

Large Seminar Room, University Centre Rotherham
Doncaster Gate
Rotherham
S65 1DA

This event, hosted by The Rotherham NHS Foundation Trust and Rotherham Safeguarding Children Partnership, is aimed at professionals and volunteers who work with children and families/carers to raise awareness of Sudden Infant Death Syndrome (SIDS) and the proven advice on how parents can reduce the risk of it occurring.

We know that greater awareness of safer sleep leads to a decrease in the numbers of babies dying.

This two hour workshop will cover the following:

- Local and National SIDS Overview
- Case Scenario
- Traffic light group work –focusing on practice and products
- Evidence based safer sleep Practices – key messages
- Identifying risk and Escalation process

This training is endorsed by The Lullaby Trust and gives the life-saving safer sleep advice which will support workers to assess risk and equip parents with information on how they can reduce the risk.
