Newsletter 22 Summer Term 12th July 2018

Foundation 1 Happy Home Learning

The children have really enjoyed their transition visits this week. Please support your child by talking about the visit and complete their transition passport that has come home with your child this week.

FS2 Homework

Literacy

As all children have taken part in transition this week, please talk about:

What is the same? What is different? and write about what you liked best about your new class?.

Maths

We have been learning about capacity. Choose a container and put some water in it. Is your container **full, half full, more than half full, less than half full, empty?** You could draw some containers and label them using this vocabulary.

Topic

Next week we are going to make musical compositions and play them using untuned instruments. Can you design an instrument? Think about what you want to make it out of, the sound you want it to make and what it might look like? Draw and label your design. You can make your instrument at home if you like or collect what you want to use and make it in school next week.

Year 2 – No Homework this week

Art Exhibition

Huge thank you to all our families for the generous amount of £221.16 which was raised from the sale of the children's artwork.

The proceeds will go towards the development of our outdoor play provision.
