School Matters!

Parent Consultation Evenings

Thank you to all the parent/carers who attended the Parent Consultation Evenings this week.

Reminder: Red Nose Day

We will be taking part in Red Nose Day on Friday 15th March 2019. Children may come to school dressed in clothing of their choice. Any donations will be gratefully received and sent to Comic Relief.

World Book Day - Thank You!

Thank you for celebrating World Book Day with us! The children and staff had a wonderful day dressed up as their favourite book characters. Their costumes were truly magnificent! We are astounded by the effort and creativity that has gone into the fantastic 'books in boxes'! The children were able to bring their books to life as they described the characters and setting of their stories to their friends and adults in school. We are very appreciative of the support you have given and we feel so lucky to have such imaginative children and parents/carers in our school family. We hope to see the Reading Race scores get higher and higher with all the excitement we've had about reading! We have raised £64.70 which will go towards purchasing new reading books.

'Reading Star Challenge'

Your child brought home a World Book Day reading challenge on Thursday. We hope you enjoy ticking off the stars together at home as you complete the short reading challenges. All children who return their completed challenge sheet this term will receive a special certificate. Enjoy sharing stories together!

'Reader of the Week'

Rotherham United's Miller Bear came to visit us this week to tell us how much the football players love to read. Miller Bear especially loves Stick Man by Julia Donaldson! Rotherham United have kindly donated a Miller teddy to each class so we will be choosing a 'Reader of the Week' to take him home for the weekend along with his reading diary. We will be looking out for children who are trying really hard with their reading at home and in school.

Granny Norbag and the Cave Troll

Many children took home the story of Granny Norbag and the Cave Troll on World Book Day. There is still time to purchase the book on your School Money account. All children who purchase the book will be able to meet Malcolm Hogan again for a book-signing session in the Summer term (date to be confirmed). The book is available to buy at the at the cost of £5 (RRP £8.99).

Sponsored Spell

All children have now completed the Sponsored Spell. Thank you for helping your child learn their spellings at home. Please remember to send your sponsorship money in a sealed enveloped labelled with your child's full name and class. Thank you for the sponsorship money that we have received so far.

Happy Home Learning Foundation 1

This week we have been learning our number of the week 2 and letter of the week n. Please can you find objects around your home and environment that begin with n? Practice handwriting n – “down Nobby and over his net”. You can also practice singing the song the animals went in two by two. Can they find two animals that are the same? Please also continue reading at home at least three times a week; let us see if we can have every child reading at home this week! Also any donations of old newspapers for our painting area would be greatly received.

FS2 Homework

Literacy

Following on from Pancake Day can you draw your own pancake and choose a topping for the top. Write a simple sentence about your favourite topping. Eg. I liked the red jam.

Number

Our number of the week is number 10. On coloured paper can you draw around both your hands, cut them out and stick them on a sheet (remember not to stick the finger parts down). You can use this at home to look at the different ways we can split 10.

Eg.

Year 1 Homework

Spellings

bedroom blackbird farmyard blackberry playground.

What other compound words do you know that are made up of two words?

Literacy

Write about the Space Dome visit. What did you learn? What was your favourite part?

Maths

How many ways can you make 8? What are the two parts? Repeat with 9 and 10.

E.g. $8=1+7$ 1 and 7 are the two parts

Please continue to bring recycled materials into school for making rockets in DT. Thank you in advance.

Year 2 Homework

Maths

Play hit the button on topmarks, selecting 'times tables' or 'division facts'. Use your knowledge of the multiples of 2s, 5s and 10s to help you.

Literacy
