Happy Home Learning Foundation Stage 1

The children will be participating in our Easter Bonnet Parade next week. Please continue to plan and make your Easter Bonnet Parade on Thursday 11th April.

FS2 Homework

Literacy

Continue to plan and make your Easter Bonnet for the Easter Bonnet parade on Thursday 11th April. (Bring into school the day before or on the day of the parade).

Maths

In maths this week we have been learning the language of length. Draw your family in order from the shortest to the tallest. Talk about who is the shortest and tallest and ask a grown up to label it.

In Foundation Stage we truly value the partnership we have with parents and would like your support in helping us to gain an in-depth picture of your child. To help with this please fill in a 'can do' slip (they will be coming home on Friday) letting us know something you are proud of that your child can do. It would be useful if this was based around technology ie how and what they access at home or tell us about outdoor activities your child takes part in ie their bike, swimming, clubs etc.
