FS1 Happy Home Learning

Song of the week: The Farmer's in His Den

Over the past few weeks we have been exploring pattern. We have looked at different patterns in our environment and even started to look at simple repeating patterns (ABAB patterns, for example: stick, leaf, stick leaf). Please find something in your home to make an ABAB pattern with. You could use everyday items like spoons and cups or you might even want to use your toys. Please take photos and upload them to your Class Dojo portfolio.

FS2 Homework

We have been practising composition of numbers to 10 this week. Can you use equipment from home (pasta shapes, Lego, cars etc) to find different ways to make 5, 6, 7, 8, 9, 10. You can draw it in your book, take a picture and upload it to dojo, or do it practically.

Class 5, Class 6 and Class 10 Homework

Spellings

Y1- he her have saw draw yawn crawl what other words can you think of that have 'Yawn at dawn aw' ?

Y2 Class 6- Please check your child can spell/write the words above...the try after fast last past

Maths

Y1- This week we have been exploring what happens to a number when we add or subtract 0. Choose a single digit number. Add zero. What have you noticed? Choose a single digit number. Subtract zero. What have you noticed?

Y2 Class 6- We have continued to make equal groups and describe what we can see. We have recorded it with a repeated addition and 'groups of' number sentence. Use some equipment to make equal groups.

e.g

$2 + 2 + 2$ or 3×2 'Three groups of 2'

We don't say times. We say 'groups of' Children need to understand multiplication as equal groups and be able to say There are 3 groups. There are 2 in each group. There are 3 groups of 2.

Class 7 and Class 8 Homework

Spellings

happier happiest luckier luckiest funnier funniest

Maths

Next week in maths we are going to be dividing a group of objects into equal groups as part of our progression into division. The children will be solving given problems using the number facts they have learned in the two, five, and ten times tables. Practise chanting the two, five and tens times tables to 12.

For example: 'Zero times two is equal to zero. One times two is equal to four ...' all the way to 'Twelve times two is equal to twenty four.'
