Reminder: School Inset Day – Friday 1st July

The school will be closed tomorrow to all children on Friday 1st July for teacher training.

Transition

Today the children have visited their new class together and shared a story with their new class teacher. The next transition events will take place on Tuesday 5th July and Wednesday 6th July where the children will spend the day in their new class getting to know their new teacher and class mates, completing learning tasks together. Please bring your child to their current class room as normal where they will be registered, the staff will take them to their new classroom for the day and they will return to their current classroom for you to collect at the end of the day.

Parent Walkabout – Tuesday 12th July 3pm-5pm

This is an opportunity to say a fond farewell to your child's current teacher and then visit their new classroom and say 'Hello' to their new teacher.

Crossing Patrol

Please always use the lollipop crossing point to ensure you and your children cross the road safely. Whilst it is very tempting to quickly 'dash over', it is our responsibility as adults to model safe road crossing and the lollipop points are the safest way to cross the road. It may mean a slightly longer walk but it is the only safe and responsible option.

Lost Property

It is only a few weeks since we sorted out the lost property and unfortunately, we already have a growing number of items which have lost their owners, including school jumpers, fleeces and coats. Please check that your child has all their belongings at home time and make sure that all items of clothing are clearly labelled.

Do you recognise any of the lost property below? If any of the items belong to your child please let reception know. Any unclaimed items will be sent to recycling at the end of the term.

Reading Race

The Reading Race is back! Let's see which class is reading the most at home!

FS1 Happy Home Learning

Physical: Please keep practicing writing your name using your name card for support. Remember to hold your pencil correctly and use the correct formation.

Communication & Language: Draw a picture of you for your new teacher, tell them what your favourite things are and what you are looking forward to in September.

Number: This week we have been practising making a pattern. Can you make a pattern at home using the cutlery or building bricks.

FS2 Homework

Literacy

This week we have revisited learning the tricky red words. In your spelling book can you practise reading and writing the tricky words your child has been given.

Science

Following on from the science day can you carry out a floating and sinking experiment at home. See if you can find objects that float and objects that sink. What about if objects can float, how can you make them sink? Record in your homework book.

Class 6, 9 and 10 Homework

Spellings

Y1-new few grew flew drew threw Can you think of any other words with the 'chew the stew' ew sound.

Y2- Differentiate and spell these Homophones-(words that sound the same but are spelt differently) here/hear see/sea bare/bear one/won sun/son to/too/two be/bee blue/blew night/knight Can you think of any others?

Science

Following on from our science day you could look for some insects/arachnids in your garden. You could sketch them and label the parts of their bodies.

Class 5 and 8 Homework

Science:

Following our Science day, can you find a fun simple experiment to do at home? We'd love to see photos or videos on ClassDojo. You could even show your adults what we did in school with diet coke and mentos! I wonder if it works with fruit mentos too??

Or you could test to see if it works with a smaller bottle of diet coke?

Holiday Dates

Please ensure that leave in term time for holiday reasons is avoided and all holidays are taken when school is closed (see inset dates for 2021-2022 below). Thank you.
