Sponsored Spell

Huge thank you to all of our families for the generous amount of £506.20 which was raised from our recent Sponsored Spell.

Head Lice

Can we please ask that you check your child's hair as there have been reported cases of head lice in the school. Free treatment is available under the minor ailment scheme which is available to those who are exempt from prescription charges. Treatment should be applied and hair then combed with a fine tooth comb to remove the dead lice and eggs. The process should be repeated after 7 days. Further information can be found at www.nhs.uk.

Reminder - Parent Walkabout and Art Exhibition – Tuesday 10th July 3pm-5pm

This is an opportunity to say a fond farewell to your child's current teacher and then visit their new classroom and say 'Hello' to their new teacher.

We will also be hosting a celebration of work in the form of an art exhibition, where every child in school will have a piece of work on display for parents to purchase. The children have looked at how artists proudly exhibit their work in galleries. The children have written a caption explaining their piece and then decided on a price for their work...some may be six figure sums! If families feel able, a small donation would be really appreciated. The child will then place a 'sold sticker' on the artwork, as would happen in a gallery.

The proceeds will go towards the development of outdoor play provision.
