Message from Mrs Smith

As we come to the end of another busy and successful year, I want to offer my sincere thanks to you for all you have done for your children and all you have done to support the staff in ensuring the children receive the best education possible.

On a personal note, the staff and I would like to offer our sincere gratitude to you for the kind gifts, cards and messages of thanks we have received. We appreciate the time it has taken to do this at what we know is a very busy time of year.

The staff have been working hard getting to know their new classes and look forward to the exciting things which have been planned for the coming year. As our Y2 children leave, we wish them every success as they move to their next stage of education; they are more than ready for it. Remember, Everything is possible!

Until then, we wish you a long, happy and restful summer.

Things to do over the summer break...

Reading – Please encourage your child to practise their reading during the holidays. You could also take part in the Reading Challenge at Wickersley Library.

If you are going on holiday or are out and about in Rotherham, please send us a postcard so that we can find your location on local and world maps when we return! Our school address is...
