Attendance

We are pleased to inform you that we have surpassed our attendance target for March, achieving a level of 97.8%. We are thrilled that attendance has improved this school year and we thank you for working with us to make this possible.

As the summer term quickly approaches we would like to ensure that we maintain this standard. Therefore, we once again ask for your support and urge parents/carers not to request term time leave for holidays and where possible, arrange medical/dental appointments during the holidays or out of school hours.

Following on from last week's newsletter, Year 2 children will be taking their end of year assessment tests throughout the month of May, and Year 1 children will take their phonics screening check in the month of June. It is vital that all children have the highest possible attendance if they are to reach their full potential.
