### Parent Consultation Evenings

Please remember to sign up for Parent Consultation Evening which will take place during week commencing Monday 3<sup>rd</sup> February. There are time sheets outside each classroom.

### Lost Property

Could you please check lost property for items that your child may have mislaid? The baskets are overflowing with hats, gloves and scarves and there are also, jumpers and coats which need to find their owners. Any items which have not been claimed before Thursday 13<sup>th</sup> February will be taken to recycling.

### British Science Week

Next half term the whole school will be celebrating British Science Week during week commencing 9<sup>th</sup> March. We will be holding our own whole school science celebrations within school, experiencing lots of exciting science activities, experiments and visitors.

On Wednesday the 11<sup>th</sup> March your child may come to school dressed as a science professor or mad scientist to take part in our carousel of science experiments outside and in the hall.

#### Simple ideas to make a science costume

- Use an oversized white shirt to wear as a lab coat.
- Use a large white t-shirt and draw on a collar, pocket and buttons with a black felt tip pen.
- Use felt tips pens to decorate the pocket with a mad scientist name.
- Frizz up your hair.

### Foundation 1 Homework

Phonics learning – Zoe the zookeeper wanted to name some of her animals. She wants the name to start with the same letter sound as the animal. So far, she has thought of Charlie Chimp and Tommy Tiger. Can you help her think of some names for her lion, snake and panda?

Number - Can you find something that is a square shape in your house? Can you find something that is a rectangular shape in your house? Can you find something that is a circular shape in your house?
