

“We Shine Here”

Bramley Sunnyside Infant School

Sport Premium Overview 2019-2020

At Bramley Sunnyside Infant School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We have welcomed the Government's announcement in June 2013 to provide additional funding to improve provision of physical education (PE) and sport in primary schools. We are excited now that the funding has been extended until 2020. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competition's and clubs for all our young people.

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual January census. All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10.00 per pupil.

Total no of primary aged pupils between the ages of 5-11 (Y1 & Y2 children taken from January Census 2019)	159
Total amount of Sport Premium Grant received (in 2 payments 30.10.2018 & 1.5.2019) (£16,000 lump sum + £10.00 per pupil)	£17,590

What does the Sport Premium mean for my School?

‘Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this’ (DfE June 2013)

At Bramley Sunnyside Infant School we have split up the funding by the five key indicators as outlined by the DfE:

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

Key indicator 5: Increased participation in competitive sport

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • 100% attendance at key stage one competitive events • Healthy schools accreditation awarded July 2019 • Strong partnerships with WSSC and RUFC 	<ul style="list-style-type: none"> • Active playtimes/lunch times to ensure all children are active (at the last observation 61% of pupils were active at lunch time) • Develop more opportunities for all children to compete in competitive sport through intra school competitions

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2019/20		Total fund allocated: £17,590	Date Updated: July 2019	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 17%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<p>To ensure children understand how to achieve a healthy lifestyle by preparing pupils for a lifelong commitment to healthy eating and exercise.</p> <p>To provide children with the strategies to support their own mental health and wellbeing</p>	<ul style="list-style-type: none"> All pupils to be active at playtimes and lunchtimes Gather pupil voice to help plan playground activities to encourage maximum participation Implement playground leaders to ensure children are as active as possible during playtimes and lunch times. Playground leaders and SMSAs to receive active playtimes training from WSSC Implement a sports trolley at playtimes for children to access physical games independently Staff from Rotherham United Football Club to deliver health and wellbeing sessions 	<p>Total: £3050</p> <p>SMSA training: £400</p> <p>Sports Trolley and Equipment: £500</p> <p>Leadership time to implement playground leaders and active playtimes: £400</p> <p>RUFC Health and wellbeing sessions for all pupils £1750</p>	<p>26 children have become playground leaders this year with a mix of yr 1 & 2 pupils. A weekly timetable of events/games has been set up. C Snaith will work with playground leader T Ford & the playground leader children throughout Spring Term 2. Due to changes in lunchtime staff CS is working with T Ford & the children. T Ford can then train lunchtime staff in the summer term.
