Newsletter 20 Autumn Term

4th February 2022

CHILDREN'S
HEART SURGERY
FUND

Thank you for your kind generosity for all the donations of cakes, buns and biscuits to raise money for the Children's Heart Surgery Fund and NSPCC. The amount raised so far from donations, the sale of buns and red bows is **£576.42**. We will give you the final amount raised on the newsletter next week once all the sponsored events have taken place.

Foundation Stage 1

Please note, the school will be closed to **Foundation Stage 1 pupils only** on **Friday 24th June** to allow the induction of new FS1 September starters to take place.

Arbor Account

Please do not forget to activate your Arbor Account to use the parent portal to book and pay for clubs and visits after half term.

About Safer Internet Day

Safer Internet Day is celebrated globally in February each year to promote the safe and positive use of digital technology for children and young people, and to inspire a national conversation about using technology responsibly, respectfully, critically, and creatively. Safer Internet Day 2022 is on 8th February and will be celebrated with the theme 'All fun and games? Exploring respect and relationships online'.

Coordinated in the UK by the UK Safer Internet Centre, Safer Internet Day is celebrated in over a hundred countries coordinated by the joint Insafe/INHOPE network, with the support of the European Commission, and national Safer Internet Centres across Europe

SAFER INTERNET DAY

Mothers' Climate Action Network

Mothers CAN (Mothers' Climate Action Network) is a national network of local groups. We connect mums from across the county and support groups to make positive changes on climate in their local communities. We're co-hosting this event with Rotherham Climate Action.

This is the very first meet for mums in the Rotherham area - we'll be talking about climate change, why we as mums care about it, and what we might be able to do together.

You don't have to know a lot about climate change to take part, and you definitely don't need to be leading the perfect eco-friendly lifestyle! We try to create a supportive and relaxed atmosphere to chat things through, so feel free to bring along snacks and something to drink.

If you'd like to chat to someone before coming along, just send an email to hello@mothers-can.org.

FS 1 Happy Home Learning

Personal Social & Emotional Development: During Chinese New Year celebrations, children are sometimes given envelopes with money inside! With an adult, look at some coins together. Can you find the biggest coin? Can you find the smallest coin? Can you make rubbings of the coins? What can you see on them?

Communication & Language Development: Can you clap the beats of your name? Try clapping the beats of other words, like computer or elephant.

Physical Development: Complete a jigsaw, which jigsaw can you complete on your own?

FS2 Homework

This week we have been celebrating The Chinese New Year. Have a Chinese tasting session at home and talk about what was your most favourite food/least favourite food.

In your homework book can you design your own Chinese dragon.

In Maths this week we have been learning about comparison of number. Ask your family and friends their favourite colour and make a simple tally/ graph of favourite colours. Compare the numbers of what was the most favourite/least favourite colour.
