New Starters September 2024 - Foundation Stage 1

In the Spring we will be planning the admission places for September 24. There will once again be part time (15 hours) AM and PM places offered, with a limited number of places available for children whose parents are eligible for free 30 hours childcare. All places are offered on a first come first served basis, therefore, to avoid disappointment, it is important that all children born between 1st September 2020 and 31st August 2021 are registered with the school. Please telephone the school on 01709 543061 and speak to the office staff if you need to register your child. **Also, we would be grateful if you could inform any family or friends who may have a child who was born in this time frame but is not yet registered at our school in our admission book**

Christmas Performance Tickets

This is a reminder for anyone who has not purchased a ticket. Please remember to purchase your ticket via Arbor as we will be soon allocating any spare tickets.

As Health and Safety regulations mean that numbers in the hall are limited, we are only able to offer **one ticket per child which admits 2 people**. We would ask parents to choose which performance they would like to attend and then go online to book. Purchased tickets will shortly be sent home with your child.

Please ensure you bring your tickets to the performance in order to comply with our fire regulations.

Thank you for your support and understanding, we will of course welcome your feedback for any future performances and ticket sales.

APPS SAFETY ADVICE FOR PARENTS

1

ENABLE RESTRICTIONS

Use sites such as internetmatters.org to look at how to put restrictions on your child's device. This means that they cannot automatically download apps.

2

LOOK AT AGE RATINGS

All apps have an age rating, so make sure that you check if it is suitable for your child.

3

APP RESEARCH

Find out what your child can share on the app. Look at sites such as commonsensemedia.org to find out more about concerns raised about the app.

4

APP ALTERNATIVES

Many apps have child friendly versions. Look to see if you can download a safer version of the app.

5

PRIVACY SETTINGS

If you allow your child to use specific apps, make sure that you look at whether there are privacy settings, so you can limit what your child can share.

6

BLOCK & REPORT

Finally, if there are any issues with your child using the app, look at whether there are ways you can report misuse to central administrators.

FS1 Happy Home Learning

Song of the week: The Bear Went Over the Mountain.

This can be found here: www.bbc.co.uk/teach/school-radio/nursery-rhymes-the-bear-went-over-the-mountain/zmssmfr

Our number of the week this week was number 3. Can you find 3 of something in your house? You could take a picture of what you find and add it to your Class Dojo portfolio.

FS2 Homework

Maths

This week in maths have been discussing whole objects and parts of an object. We spoke about how 'parts' are items that make up the 'whole' object. Please practise with your child in sorting different objects into 'parts' and 'whole'.

e.g. The pizza needs 4 parts to make it a whole pizza.

Phonics

Please continue to practise orally blending with your child. "Fred says he can see a c...a...t... c.a.t. cat!" if your child is confident with orally blending try the next challenge of reading 3 letter words. Write these in their home learning book and see if your child can use their pointing finger to read the letters and blend them together.

e.g. cat, dog, ham, jam, bed, dad, pat, jog, pop, hug, dig.

Class 5, Class 6 and Class 10 Homework

Reading

Keep reading your school books alongside any other books you enjoy to read at home. Remember to reread your main zippy wallet book to make your reading even speedier!

Spellings

Y1- car start park arm garden what other words can you think of that have 'ar start the car'

Y2 Class 6 – Please check your child can write the 'ar' words now try.... behind both

walked asked called tricked jumped

What other verbs can you change to the past tense by just adding -ed?

Maths-

Y1- Make 2 sets of number cards 1-5. Play in a pair. Have each pile of cards face down and turn one over each. Do the parts make 5? Whoever shouts five first wins the cards. If it doesn't make five what does it make?

Y2 Class 6 - This week we have been using our knowledge of number bonds to add 3 single digit numbers. When adding 3 numbers can you find a pair that you know and then add on the third number

e.g $5 + 2 + 5 =$

'I know 5 and 5 equals 10 10 and two more equals 12

Try these $3 + 1 + 4 =$ $7 + 2 + 3 =$ $5 + 4 + 5 =$ $3 + 2 + 3 =$ $5 + 1 + 4 =$ $8 + 1 + 2 =$

You could make some of your own too!

Class 7 and Class 8 Homework

Spellings – behind both

walked asked called tricked jumped

What other verbs can you change to the past tense by just adding -ed?

Reading

Keep reading your school books alongside any other books you enjoy to read at home. Let's see if Class 7 AND Class 8 can get the top reading scores in school!
