Wraparound Care @ Bramley Sunnyside Infant School

We are delighted to be able to offer full wraparound provision for the children at Bramley Sunnyside Infant School. We know from our consultations that many parents need support with childcare for their child outside of the formal school day and hope that we can support you.

Please find information below about our Breakfast Club & Tea Time Club, as well as a copy of the Prospectus and the Wraparound Care Contract, which all parents have to sign before their child begins to use these services.

Breakfast Club

Our Breakfast Club runs every morning during term time from 07.30 - 08.30am, at a cost of £4:50 per child, per day. It is run by fully qualified school staff who also work within the school setting, which helps the children feel more at ease and is also reassuring to parents that they know who is caring for their children.

The children are offered a breakfast of cereal/toast/crumpets/pastries/yoghurts/fruit and a drink of milk, juice or water. A range of activities are provided for children to engage with their friends before the school day begins. We ask that children arrive by 7:30am and no later than 07:45am, if they require breakfast.

At the end of Breakfast Club (8.30am) the children are taken to class by school staff, this gives parents the reassurance that the children are being safely handed over to their class teachers ready for the school day to begin.

Booking and payment for Breakfast Club must be done in advance, using the Arbor app and payment system (from September). Block booking and ad-hoc bookings are enabled on a first come, first served basis. You can book ahead for the full academic year.

Tea Time Club

Our Tea Time Club will run every day during term time, from 3:00pm. Parents can collect their child at a time to suit them with the last collection at 6.00pm. The cost for the session is £12 per day. Please note that this is the same charge, regardless of the time you collect your child.

It is run by fully qualified school staff who also work within the school setting, which helps the children feel more at ease and is also reassuring to parents that they know who is caring for their children.

The children will be offered a drink and tea time snack and a range of activities will be provided for the children to keep them happy and engaged with friends, during the club. A choice of after school clubs is included in this offer.

At the end of Tea Time Club the children will need to be collected by a named adult; if this is not a parent, this information must be given in advance to the school office, as safeguarding is our priority.

Booking and payment for Tea Time Club must be done in advance using the Arbor app and payment system (from September). Block booking and ad-hoc bookings are enabled on a first come, first served basis. You can book ahead for the full academic year.

Please note that the wraparound offer is for pupils who attend Bramley Sunnyside Infant school from FS2-Y2, in the first instance. Payments are non-refundable including if children are absent due to sickness.

After School Clubs

After school clubs run Monday to Thursday 3-4pm at a cost of £4. We also have a Friday morning club 7:30-8:30am. A range of activities will be available. Booking and payment for After School Clubs must be done in advance using the Arbor app and payment system (from September). Children must be collected on time. If they are not the late charges in line with the wraparound contract will be applied.
